Silas G Randell, cong without charge And repeal or modification of existing legal prohibitions of slavery in that part of our national domain which it is proposed to organize into the Territories of Nebraska and Kansas. We protest against it as a great moral wrong, as a breach of faith eminently injurious to the moral principles of the community, and subversive of all confidence in national engagements; as a measure full of danger to the peace and even the existence of our beloved Union and exposing us to the righteous judgments of the Almighty. And your protestants, as in duty bound, will ever pray, &c. Dated at Boston, Massachusetts, this 1st day of March, A. D. 1854. Charles Lewell

Congressional

THIRTY-THIRD CONGRESS

Senate.-Wednesday, April 26, 1854. Several memorials were presented and referred.
PENNSYLVANIA AVENUE.

Mr. NORRIS, from the Consideration of the District of Columbia, reported by and asked to be discharged from the consideration of the memorials praying that Pennsylvania avenue be paved with the Russ pavement. Agreed to.

PORTRAITS OF PRESIDENTS.

PORTRAITS OF PRESIDENTS.

Mr. PEARCE, from the Committee on the Library, reported a bill appropriating five thousand dollars for the purchase of the portraits of the first five Presidents of the United States, painted by Gilbert Stuart, the same to be placed in the presidential mansion. Mr. P. explained that these portraits were originals, and were highly commended as works of art, and he thought the government ought to avail itself of the opportunity to secure them for the President's house.

Mr. HAMLIN said he was in favor of the appropriation, but would be more in favor of it if it provided for the purchase of portraits of all the ex-Presidents. If there was no impropriety in it, he would be glad to have included also a portrait of the present President.

Mr. PEARCE said he would have no objection to the suggestion of the senator, provided portraits of the other Presidents, by competent artists, could be procured. This proposition, however, he thought would do for a commencement. The bill was then passed.

On motion by Mr. MALLORY,

Resolved, That the Secretary of the Interior communi-

Resolved, That the Secretary of the Interior communicate to the Senate copies of the contract and instructions under which Luther Blake was employed to remove the Indians from Florida, together with copies of his correspondence with the department upon that subject, and of his accounts and vouchers of his expenditures of such

The Senate resumed the consideration of the bill making appropriation for the support of the Indian department for the year ending June 30,

Mr. SEBASTIAN moved to amend the bill by Mr. SEBASTIAN moved to amend the bill by giving the President authority to change the locations of the several Indian superintendencies.

Mr. STUART moved to amend the amendment by providing that the duties of governor and Indian superintendent of Minnesota shall be sepa-

dian superintendent of Minnesota shall be separated.

These amendments were debated for some time. That proposed by Mr. Stuart was rejected, and the other was adopted after adding thereto that, whenever the President shall transfer the duties of Indian superintendent from the governor of Minnesota, the salary of that governor shall remain as now, \$2,500 per annum.

Various other amendments, many of them to carry out the treaties lately concluded with the Camanche. Apache, and other southwestern tribes, were condaidered, and adopted.

Mr. SEBASTIAN moved an amendment, providing for the payment to Governor Gorman, of Minnesota, for services (while governor) in investigating certain charges against ex-governor Ramsey.

Messrs. BRIGHT, CHASE, and HUNTER, opposed the amendment, and Messrs. COOPER and SEBASTIAN supported it. It was then rejected—yeas 3, nays not counted.

The bill was then postponed until to-morrow, and the Senate proceeded to the consideration of executive business, and shortly after adjourned.

Mr. HOUSTON, from the Committee of Ways and Means, reported a bill making appropriations for the service of the Post Office Department during the fiscal year ending the 30th of June, 1855. Referred to the Committee of the Whole on the state of the Union.

Mr. McDOUGAL reported a bill to refund to the State of California the expenses incurred for suppressing Indian aggressions in that State.

UNITED STATES DISTRICT JUDGES.

UNITED STATES DISTRICT JUDGES.

Mr. PARKER reported a bill to regulate the salaries of the district judges of the United States; and on his motion it was referred to the Committee on the Judiciary.

Mr. HOUSTON moved a reconsideration of the vote just taken, with a view of having the bill sent to the Committee of the Whole on the state of the Union. More time was consumed in avoiding giving bills that direction than in considering and passing them.

Mr. LETCHER said that this bill was one of the most reasonable propositions which had come

Mr LETCHER said that this bill was one of the most reasonable propositions which had come from any of the committees. For the last month committies had reported bills which were rushed through the House without affording an opportu-nity for consideration or amendment. It was so with the clerk's salary bill, the other day. Mr. HOUSTON said, that the Committee on

thing.
Mr. LETCHER replied, no matter what was
the instruction of the committee, it was put on its

passage.

Mr. ROBBINS said that he was instructed by the Committee of Ways and Means to report a substitute for that bill, but, while so reporting, he had declared his preference for the original bill of the

declared his preference for the original bilt of the Senate.

Mr. JONES, of Tennessee, said that only one or two of the members of that committee voted on that occasion for a suspension of the rules which required that bill, it containing an appropriation, to be first considered in Committee of the Whole on the state of the Union.

Mr. LETCHER remarked he did not charge any member with impropriety. If a gentleman should

Mr. LETCHER remarked he did not charge any member with impropriety. If a gentleman should think that a measure is of sufficient importance to demand immediate action, it was for him to act accordingly. Other bills were reported and acted on without being referred to the Committee of the Whole on the state of the Union. Why make an exception to this bill? Many of the district judges receive less pay than the third-class clerks under the general government, and why object when a proposition is introduced to regulate their salaries? He moved to lay the motion to reconsider on the table.

The motion was agreed to. GRANTS OF LANDS. The House resumed the consideration of the bill granting lands equally to the several States to aid in the construction of railroads, and for the support of schools.

Mr. BENNETT (the measure having been introduced by him) briefly explained and advocated its passage.

its passage.

Mr. DISNEY obtained the floor, but gave way for a motion that the House resolve itself into a Committee of the Whole on the state of the Union;

DEFICIENCY BILL-NEBRASKA. The bill making appropriations for supplying deficiencies in the appropriations for the year ending June 30, 1854, was taken up, Mr. CHANDLER

deficiencies in the appropriations for the year ending June 30, 1854, was taken up, Mr. Chandler in the chair.

Mr. HARRIS, of Mississippi, resumed his remarks from Monday last in opposition to the Nebraska and Kansas bill. He examined the provisions of the measure in a legal point of view, and, with reference to the Missouri act of 1820, said it should be repealed boldly, directly, or not at all. If Congress were not prepared to repeal it, let it stand.

Mr. HEISTER proceeded to show that the proposition to repeal the Missouri act of 1820 was of recent origin. It was not contemplated by the compromise of 1850, or, if contemplated, was concealed. He avowed himself in favor of that compromise, but was opposed to any interpolations, such as was proposed by the Nebraska bill, which he generally opposed.

Mr. TAYLOR, of Ohio, after a few preliminary remarks, to show that this was an administration measure and introduced to retrieve the fallen fortunes of the administration, argued against the repeal of the Missouri act of 1820. If Congress should repeal it, they would set a precedent by which all other compromises would be repealed, and leave such action to a numerical majority, and not to the patriotism and good sense of the country. He explained, at length, his objections to the Nebraska-Kansas bill.

Mr. BARRY obtained the floor, when on motion, the committee rose,

tion, the committee rose, And the House adjourned.

Funeral of Hon. John Davis.—The funeral of the late Governor Davis, of Massachusetts, was celebrated in a solemn and impressive manner at the 1st street Unitarian church, in Worcester, on Saturday last. It was attended by Governor Washburn, Lieutenant-governer Plunkett, the council, Hon. Abbot Lawrence, Hon. Robert C. Winthrop, and other friends from every portion of the State.

Governor Davis, was a graduate of Yale college of the year 1812. The class numbered fitty. Among them were Hon. George Biss., of Springfield; Rev. Calvin Colton, Dr. Theodore Dexter, Professor David Prentice, Judge Isaac Trimble Preston, and Professor Theodore Strong. Governor Davis received the honorary degree of LL. D. at Harvard college in 1834. Funeral of Hon. John Davis.-The funera
